

In our ongoing effort to provide you with diverse and cost-effective shipping options, we would like to introduce the possibility of utilizing **SEA CARGO SERVICES** for your shipments.

For more detailed information about the Sea Freight services and instructions for booking, please refer to the link provided below:

[Sea Freight USA | Sea Cargo Services to the Philippines | LBC \(lbcexpress.com\)](#)

Key Features:

- International sea freight services
- Door-to-door delivery to the recipient's address
- Convenient online booking

Pros of Sea Freight:

- More affordable than air freight, allowing you to spend less on shipping costs
- Ideal for sending large and heavy shipments
- Perfect for shipments without urgent delivery requirements

Cons of Sea Freight:

- Slower shipping compared to air freight
- Longer transit time
- Risk of delays and potential damage due to adverse weather conditions
- Not applicable for smaller goods or package
